with John Lawton Butler of Current and continued on to Berkeley to school. \*

One of the Tybo trucks was behind him and escaped. The trouble occurred between Clifford's summit west of Five Mile. At Salsbury a bridge was washed out and another delay was caused.

One of the incidents of the storm was the position in which Whitney's Four Wheel Drive truck was placed. When the truck was stalled the sand was washed from under the wheels leaving the truck hanging on the differential. The other drivers help ed unload and saved the truck. Advertise in the Bonanza.
